Mission Review

The mission team are going to meet and prepare feedback for both congregations. This should be produced in two or three weeks' time.

I would like to thank God particularly for:

- several people who came to faith
- the general openness and friendliness of those who did the belief questionnaire. This was particularly true of the under 40's.
- the way that the questionnaire has opened ongoing dialogue about the Christian faith with some people
- the commitment of the team (home and away) over many months
- those who offered accommodation and hospitality
- the financial generosity of many in St Michael's, which should cover the cost of the mission
- the commitment of the 'home' mission team to continue to evangelise our village.

Please pray for those who have come to faith that they will be nurtured and become disciples of Jesus.

I read a report on evangelism in the UK a few days after our mission ended. It said 'no one was really seeing large scale numbers of conversions, although there were many glorious accounts of individuals who had been saved. Evangelism seems to be slow and steady with more and more effort required to reach people'. Let's keep praying and moving forward. Chris.

Alpha Course – The new courses will be starting soon, if you are interested in taking part, or know someone else who is, please contact either Jean, Simon, John and Nikki or Chris.

St. Michael's Church Calendar - The 2018 Pictorial Calendar will be on sale from the end of September at church services, and also when the church is open on Wednesdays and Saturdays, and at church functions held in the church hall. All of the pictures in the calendar are in, or of, Breaston and so makes a good Christmas gift particularly for relatives who may live a distance away. The price remains the same at £5. If you have difficulty getting a copy please contact Colin Sanderson on 01332 872631, or a member of the church.

Retreat to Iona 2018 - Iona is often described as one of those "thin places" where the gap between earth and heaven is largely hidden. It's majestic and dramatic coastline as you approach it from the Isle of Mull brings to mind how Columba must have felt in the 6th century when he was looking for a place to establish a religious community according to what is now loosely termed 'the Celtic tradition'. Archdeacon Douglas McKittrick will lead his annual retreat pilgrimage to Iona between 14-18 May 2018. Pilgrims make their own way to Glasgow where the group gathers and after an overnight stay in a hotel the journey to Iona begins by train, coach and two ferries. Three nights in comfortable accommodation with delicious Iona cuisine make this an unforgettable experience. Now booking.
