Afternoon Julian Meeting - Change of Venue

The next afternoon Julian Meeting will be held on **Tuesday 19th December** starting at 2.00pm for 2.15pm prompt start. **Please note the change of venue this month as we will meet at 'The Well' at Anderson's, Blind Lane.** After the meeting we can order refreshments and stay behind for a social chat. Maria

Christmas Card – rather than send a card to the church family, please sign the card on the table and make a donation to the Christian Aid appeal to feed hungry children in South Sudan and Burkina Faso. This Christmas, every pound you give, the Government will match.

Men's Danger Club - I am sure that there must be some scientific research which proves that the wide and unusual variety of foods we eat at Christmas upset the normal workings of our digestive system, so our next event is designed to get it back on track. It's the Christmas-Chilli-Chill-Out evening. We will meet in the Bull's Head on **Friday 29th December** about 7.00-7.15p.m. and select your choice from the Royal Spice Indian take-away. When it's ready, we'll take it over to the Church Hall to eat it. Bring your choice of drink to enjoy with your meal. John and Steve.

Residential Homes - We will be singing Carols in the Homes on **Wednesday 13th December** starting at the Old Rectory at 2.15 pm. Please come along if you are able to.

Carol Singing outside the Co-op – This will take place on **16th December** at 10.30am. Please join us.

Message from Fr Georges.

Dear Friends,

We greet you all in the Name of Our Lord Jesus Christ.

We are very delighted to let you know that your donation (£1,900) arrived safely in our Bank Account. We received it with much happiness and great hope for our new project called "**Sustainable agriculture**". So, we send our grateful thanks to you all indeed. That is a tremendous sum enough to purchase all our needs to achieve adequately our target. (Also to purchase the Laptop!) It is to carry on successful management of resources for agriculture to satisfy changing human needs while maintaining or enhancing the quality of the environment and conserving natural resources. We will produce vegetables (for food and seeds) and also fruit trees (for fruits and seedlings...)

However, we believe that it will be probably possible to improve the Environmental education for our children and for our young people. This way is useful to develop both school and church... and of course our country. "**Actions speak louder than words**"

To conclude, we send our grateful thanks to everyone who has agreed to contribute. Thank you very much for your outstanding generosity indeed.

"As **God's children, we are all brothers and sisters in His eyes. Let us demonstrate that by helping each other.**" Catherine Pulsifer.

We wish a long life to the friendship between English people and Malagasy people who celebrate its 200th anniversary which is strengthened by the official visit of the Princess **Ann of England** in Madagascar, last October 2017. As usual, we will keep in touch by sending you periodically all the good results of your financial support with lots of update pictures as well. Warmest Regards. From Fr Georges and Eveline.
The Congregation Antananarivo MADAGASCAR.
